

Skills Connect – How Did We Do?

February 2013 – April 2013

- 114 Clients started new jobs
 - 68.4% of Clients who started a job, did so in a field that uses the skills he/she gained through schooling or work experience before coming to Canada
 - 76.9% of Clients who gained employment in fields related to his/her previous experience and/or training began jobs that are aligned with what they used to do for work
- The most common industry our clients found employment in was Healthcare followed by Business & Finance, and Retail
- Of Clients who secured positions related to and aligned with their previous experience some careers they found include: Application Support Analyst, Business Analyst, Care Aide, Digital Director, General Manager, Licensed Practical Nurse, Pharmacist, Registered Nurse, Software Engineer and Structural Engineer
- 97.6% of clients would recommend the Skills Connect Program to a friend
- The average satisfaction score of all clients who responded to the satisfaction survey

Receiving information emails and follow-up by the Counsellors helped me to gain more information on how to get good job opportunities.

~Skills Connect Client

Back in motion is part of my success to secure job in my field here in Canada, they funded part of my tuition fee. My wonderful Employment Counselor is knowledgeable and effective in helping me to prepare myself in finding a job.
