Tips for Success

1. Set vocational goals

2. Be here, on time, every day

Just a reminder that the WSBC policy requires regular attendance

3. Get involved

This is your program and we are here to help you any way we can.

4. Don't shoot the messenger

We commit ourselves to "putting all the cards on the table" and explaining your situation to you as clearly as possible. Sometimes this is good news, sometimes it isn't, but we will work to assist you in getting the most out of what is available to you.

5. Follow your exercise program

If you would like to make adjustments to your program, please discuss this with the physiotherapist. Take breaks when they are scheduled.
